From 1 July 2020, medical services will be provided by the PZU Health network. Thanks to this change, the number of medical facilities available will increase to more than 2000 entities across the country. The current list of facilities dedicated to the provision of benefits is available on the website: <https://www.pzu.pl/kontakt-i-pomoc/opieka-medyczna/znajdz-placowki-medyczne-pzu>.

We encourage you to use the mojePZU service and mobile application, allowing you to make convenient medical service appointments and book appointments on your own. You can also use our 24/7 Medical Care Hotline at: 801 405 905 or 22 505 15 48.

Other terms and conditions remain unchanged.
